

THE MARSHALL REPORT

VIRTUAL WWIII... IS THAT WHAT THIS IS?

march 19, 2021march 20, 2021 • the marshall report

What if WWIII is virtual? Designed to drive you over the edge into madness for fear of what is coming on the earth.... fear is the opposite of faith! Fear destroys your immune system, wearies your heart, leaves you in a pit of despair, opposite of God's love. It is what manifests illness, and creates mental confusion, despair that can lead to anger and onslaught through warring with each other, and suicides? What if the war on the mind is the weapon? What will you do to reverse this weapon? It's time to expose it! Mind control is real and they know how to trigger complete and total despair and fear within your mind if you allow them to give you their virtual world full of lies. It is happening now and very real. How will you survive a bunch of crazies who believe all the lies? They will be dangerous if not to others, to themselves. Suicides and physical abuse to others, even murders will rise.

We are already seeing the success of the mind control fear of COVID in those rushing to take the vaccine. The masks, disinfecting to the point of getting ill from toxic chemicals in the disinfectants. Locked down willingly, staying inside out of the sun which the lack thereof causes depression in and of itself. Let alone the lack of vitamin D. All of it is extreme abuse and none of it beneficial for anything except making people susceptible to illness. Depleting immune systems further and compromising our respiratory systems.

They are destroying the body without the vaccine. Vax just makes it happen faster.

CHINA JOINS VIRTUAL WWIII FEAR SHOW: Why is NBC News showing the third round of talks with yesterdays CGI clips. Guess they haven't got the new green screens and talking points in yet.

SO WHEN WILL CHINA OWN RESPONSIBILITY FOR THEIR COOPERATIVE EFFORTS WITH THE WORLD HEALTH ORGANIZATION, THE CDC, GATES FOUNDATION, AND THE GLOBAL PANDEMIC FOR THEIR NEW WORLD ORDER? I'm sure that won't be discussed in the virtual meeting.

Conveniently, the press is not allowed in except for a few minutes at a time. Do you believe that? This is a bunch of bull and people are buying into it. Taking it all the way up north so no one in the lower 48 will be able to check and see if it is taking place or not. Where's Sarah Palin...she would be able to fact check this green screen event!

But we are to believe that day two of the virtual reality show will bring some very dramatic information. I predict, we either give China a huge package of things that will cripple the USA to create more fear on top of Vaccines and Plandemic, or the US will not go along and a WWII type scenario will be the fear to create more stress on top of the Vaccines and Plandemic.

So CHINA, CHINA, CHINA.....with a bunch of RUSSIA, RUSSIA, RUSSIA sandwiched in the middle. We're all going to die in WWII and Russia and China are either going to kill us all or take all....that is the fearful propaganda they are developing. Brought to you by the creators of 'THE TRUMAN SHOW ON STEROIDS'.

The scripture in Luke 21:26 tells us that the fear of what is coming will cause their hearts to fail. Does this mean heart attack? Does this mean not to be able to breathe?

Luke 21:26 KJV

"Men's hearts failing them for fear, and for looking after those things which are coming on the earth: for the powers of heaven shall be shaken."

- However, claustrophobics are not necessarily afraid of these areas themselves, but, rather, they fear what could happen to them should they become confined to an area. 2. move (an object) up and down or from side to side with rapid, forceful, jerky movements

I looked up the greek words that they transfered the words from. And this is what I found...

So, in light of what we are experiencing at this very season of time, it is fair to say...this is what the Bible told us was to come and we are smack in the middle of it. This did not just appear...it has come as a woman in labor ready to birth a child. The same as the Lord told us it would. We are now in the final labor pains. I don't know at what exact point, but I do know it is at the point in the scripture of Luke 21:26.

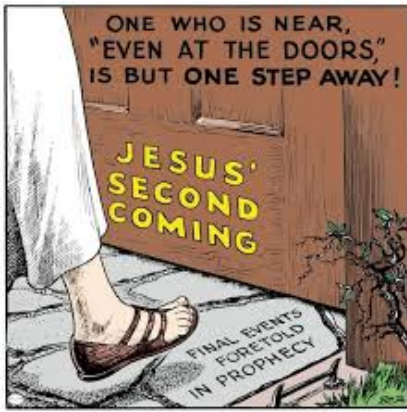

NASB Lexicon	Greek	Strong's	Origin
men	ἀνθρώπων (anthrōpōn)	444: a man; human, mankind	probably from <i>anér</i> and <i>óps</i> (eye, face)
fainting	ἀποψυχόντων (apopsuchontōn)	674: to leave off breathing, i.e. faint	from <i>apo</i> and <i>psuchó</i>
from fear	φόβου (phobou)	5401: panic flight, fear, the causing of fear, terror	from <i>phebomai</i> (to be put to flight)
and the expectation	προσδοκίας (prosdokias)	4329: expectation	from <i>prosdokaó</i>
of the things which are coming	ἐπερχομένων (eperchomenōn)	1904: to come to or upon	from <i>epi</i> and <i>erchomai</i>
upon the world;	οἰκουμένη (oikoumenē)	3625: the inhabited earth	the fem. pres. pass. part. of <i>oikeó</i>
for the powers	δυνάμεις (dunameis)	1411: (miraculous) power, might, strength	from <i>dunamai</i>
of the heavens	οὐρανῶν (ouranōn)	3772: heaven	a prim. word
will be shaken.	σαλευθήσονται (saleuthēsontai)	4531: to agitate, shake, by ext. to cast down	from <i>salos</i>

(<https://themarshallreport.files.wordpress.com/2021/03/luke.jpg?w=1024>).

I also know the Lord SAID TO HIS FOLLOWERS TO FEAR NOT! He said to HAVE FAITH and watch for these things to come for they will come at a time when you least expect it. And here we are ... just as the Lord has said.

The war has been raging for decades, and centuries...we are just now waking up to the extent of it.

Which brings me to the question, "What if WWIII is virtual?" Knowing all creation is God's and it has been man that is out of order with nature not nature out of order with man....could we see a virtual self destruction where fear is the number one weapon?

Oh I am not saying there won't be other weapons...but the fear factor is the number one killer. People willing to do as told out of fear without a shot fired, only a shot given. Others will die physically from fear, weak hearts, heart attacks, gasping for breath via anxiety attacks, suicides, hopelessness, getting killed via rioting, shot for stealing, trespassing, all manner of chaotic street wars due to fear of what is coming. Fear through hopelessness and being godless living for today for tomorrow we die attitude. For many, it's selling out to be a street soldier for silver because there are no other jobs except those as a thug in the street.

Regardless, there is a lot to ponder and expose. There is a better way... will the people open their eyes and see it?

Stay Strong and hold the line.

JUST ONE STEP! TAKE THAT ONE STEP FURTHER!

Amen.

Dianne

I'm Robert G Boensch

Did you have to put up this about the definition of Failing

I'm am Known as the Biggest Fail-er this part of the country

I have failed my whole life in their Eyes that don't know me

and don't understand my position

Just do a Google search of Robert Gregory Boensch 1958-08-16

and look at my record

I have been arrested and thrown in jail many times

By Arenac County Michigan Cabal

By John Seebeck and Sims Township and Whitney Township

This started 1993

after the first case there was a sixteen year old boy who drove his car home from school in Au Gres Mi .

He stopped his car and lifted the hood and received a shot gun blast to the back

the first person on the spot was a nurse that was coming home from work

It was his Mother, And He died. Was he a witness of their action towards me?

There was may other witness that were at risk and possibly died.

The judge in many cases stated that Put on Record that Mr Boensch

fails to defend himself. I never took the stand

This cabal includes many members of law enforcement

Judges and Lawyers and others

it all stem's from a fraudulent legal land Document one lawyer filed

The only way to clear this up is for me to loose ownership

of a farm I have

This can be done by economic hardship or death of myself

They tried Both many Times

I went to many law enforcement agencies and tried and tried to give evidence

None would investigate

I have over 30 years of documents

So sometimes you have to fail and be willing to loose

to protect others

The only hope was for a big change in this country.

I believed it came with President Donald John Trump

Will somebody that is a believer in Gods Law investigate

President Trump said many times These people are stupid.

I am very Blessed that you published this to Day

Did you have to put up this about the definition of Failing

I freely Make the following declaration
the following i believe to be true

The persons name is
John L Seebeck Sims Township

1 court action

1993 Him and his Friends court case
Mr Seebeck a benefactor of the fraudulent land deed
Ritchard Vollbach was involved in this case

2 court action

1996 his action Seebeck lead to a 1997-09-11 court trial
Where He and His daughter took the stand
and also Arenac county Prosecutor Jack Scully took the stand
There was Six female jurors That Did not Believe Any of them
including the Prosecutor. Mr.Scully He was the one that did the Fraudulent land
deed

3 court Action

2008

Where Sims Township filed a complaint against me
The person that made the compliant Chuck Skiba he was a close friend of Mr Scullys
And also a benefactor of the fraudulent land deed Mr Scully Filed
The Judge Was Jack Scully
Chuck Skiba joined up with Mr Seebeck to try to acquire my farm and split it up between them

The court room was full of attorneys
after he ruled against me in this case I did not defend my self
Interesting the court charged me twice on the same ticket by the legal documents they filed
and after he ruled me guilty he tried very hard to throw me in jail
the clerk many times told him he couldn't because it was civil charge
I asked to make a statement and put it on the record
I publicly challenged him, the Horoble Judge Scully in the court room
He died later as a felon for he did not defend him self from my statement
God Does Let us Carry a Sword for His People!!!!

4 court Acton

2010 years -2011 years

Was Brought on By Whitney Township
Seebecks own private attorney tried the case
And now Its come back to Ritchard Vollbach who takes over for Dead Scully
According to Arenac County Court The Michigan Right to farm act is not valid

~~Employment would have been lost estimated \$700,000 of income over 10 years~~

Employees we would have hired lost estimated \$/00,000 of income over 10 years

The public in the county lost close to 5 Million Money turns over 7 times in the neighborhood

They tried to kill me several times over this period and also my wife and children
And lost \$100,000's

5 action 2016

the neighbors broken down fence

same players same result as 2011

I made a written motion to video record this he said strongly no

6 action 2017

Whitney puts a lien on our Tax Bill so we can lose our farms

they all ready have a recorded land lien for the same thing and never discharged it

7 action 2018

Seebecks directed people with guns on my Sims farm in November

Interesting

Same judge new prosecutor one of the best in the state

I tell him about the list of dead people and that Seebecks sent these people

on my property to clean up their land deeds No Interest in investigate this by him

on the scene that night

2 Sheriff Deputies 2 DNR Officers

Last day of court in this case I made the statement that in all the court cases I was involved in including this one

was by Mr Seebecks actions or His Attorney Mr Eppert

They made Mr Seebecks name un-audible on the court room tape.

 In most the court cases i was in

 Their so called fool

The officers of the Court take and oath to protect the the court
 not the American People
 The Judges Lawyers ETC
 They work together and see how far than can squeeze the American people
 Then they settle out of court
 and agree to not disclose how they swindled us
 We loose on both sides the defendant and also the public
 Example
 Insurance companies represented by the bar
 and the state by the bar
 Americans are paying both sides of the bill

This confirmed to Me my statement was true

I then knew the church was connected to the cabal and that they defend each other

I've been operating under cover from the age of 6 or 7 years old
 been engaged my whole life in this world wide action against us Remembering Everything.
 It's Bigger than The US Leaders and Military Knows

Just Me and My Friend Up Stairs

The State of Michigan and This country (and World Leaders Business Governments and Churches)

Has been Going against GOD! Big Time Forever

And This Includes The Churches again i say this !!

We Must Look past the religious writings and the Preachers in front of us!!

And go Directly To GOD

Repeat-- (And go Directly To GOD and Talk to Him)

Be one with Him It's were the truth is

Look at Acts 1 -18 in the bible

With the payment he received for his wickedness,

Judas bought a field; there he fell headlong, his body burst open and all his intestines spilled out.

Everyone in Jerusalem heard about this, so they called that field in their language Akeldama

That is the field of Blood (the potters Field)

Question was it full of clay Pits and in the dark Judas fell into one that broken clay pots were dispose in

.

Did this happened 38 minutes after they left the garden

How did he received the 30 silver pieces

Was Judas the first whistle blower "did he die to warn us from the Romans Plan!

Is the story written in Matthew total Mind Control

(the hold on all of us to be controlled by the Romans) MK ultra Roman style!!

OR

Is the conflicting Stories so that we wage war with each other over our interpretation
 of what is in these writings.

We as God's People need to Cherish what we have in common
 and respect our differences and seek and live in peace

There's has only Been one political party in control of this country
 until Donald John Trump stepped in.

A couple of years ago I went back and reviewed the tape of when President Reagan Was shot

My first review was that John Hinckley Jr.s

Gun fired no bullets that Day in Washington at President Reagan

I waited a day and look again at the evidence and came up with the same results

I did further investigation and could see where the shots were fired from

There is so many pieces involved in this that strongly suggest It was all staged and had the people seeing what the verbal image was told to them and not what the pictures showed

John Warnock Hinckley Jr. is an American criminal who, on March 30, 1981, attempted to assassinate U.S. President Ronald Reagan in Washington, D.C. He wounded Reagan with a bullet from a revolver that ricocheted and hit Reagan underneath his arm in his armpit

Mine eyes have seen the glory of the coming of the Lord;
He is trampling out the vintage where the grapes of wrath are stored;

His truth is marching on.

Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
Glory! Glory! Hallelujah!
His truth is marching on.

I have seen Him in the watch-fires of a hundred circling camps;
They have builded Him an altar in the evening dews and damps;
I can read His righteous sentence by the dim and flaring lamps,
His day is marching on.

In the beauty of the lilies Christ was born across the sea,
With a glory in His bosom that transfigures you and me;
As He died to make men holy, let us die to make men free!
While God is marching on.

1977

Remember this year

<https://archive.org/details/billyjackgoestowashington1977>

Watch this Video Above

Billy Jack (Tom Laughlin) is appointed a United States Senator to fill out the remaining term of another senator. It is hoped that he will quietly vote the party line, but his term in the Senate runs into trouble when he proposes a bill to fund a national youth camp which happens to be on the property where a nuclear power plant is also being proposed. His fellow senator, Joseph Paine (E. G. Marshall), claims to oppose nuclear power but is secretly taking graft to influence his votes in favor, and moves to try to keep Billy Jack out of the way when the bill is being debated.

Seeking to keep Billy out of the Senate on a day when a controversial energy bill is being voted on, Senator Paine suggests he should meet with a grassroots group that day instead. The group is working to pass a national initiative and Billy Jack becomes convinced of their cause.

Billy is invited to meet with a group of lobbyists attempting to offer him bribes and other perks if he will vote their way. Up against a man named Bailey (Sam Wanamaker) who wields a powerful influence in his home state, Billy Jack has his political career and reputation at stake if he does not cooperate. Billy responds with anger at their threat.

The next day in the Senate, he tries to speak on the floor in opposition to the nuclear power plant. Paine responds by proposing to expel Billy from the Senate as unfit for office. Billy's assistant quits after the murder of a lobbyist, fearing for her own safety, but returns after Billy Jack is about to be expelled from the Senate, to help him learn Senate procedure in order to filibuster. Billy collapses on the Senate floor in the effort, whereupon Paine confesses to his colleagues that every word Billy spoke was the truth.

Factor 8: The Arkansas Prison Blood Scandal is a feature-length documentary by Arkansas filmmaker and investigative journalist Kelly Duda. Through interviews and presentation of documents and footage, Duda alleges that for more than two decades, spanning the 1970s and 1980s, the Arkansas prison system profited from selling blood plasma from inmates infected with viral hepatitis and AIDS

While working at the White House, Linda Tripp, the former assistant to both Vincent Foster and Bernard Nussbaum, said she received a phone call from someone who mentioned the “tainted blood issue.” The phone call came just after Foster’s mysterious death. The phrase meant nothing to Tripp, until she tried to find out more. Just days before his death, Vince Foster was concerned about “tainted blood.”

I would never give a dollar to any one running for office

If any one believes in Me or My integrity

My personable verbal endorsement

will multiply the vote for the right candidate

Many of my friends and business associates in 2016 were talking strong about TED Cruz

I stated this to all of them the next time you see him on TV hit the mute button

they all came back to Me and stated how did you Know

Their response then was We are voting For Trump

Some time its what you see that’s more importation than what you hear

Personal endorsements are worth more any day of the week

If it inspires you to lead a new blog or what ever you call it

Please go ahead I will stay right hear and try not to disturb the rest of the tribe

Please give me a like if its ok

leave no like if i should stop

Look at my campaign in 2014

I had to wait to under 30 days before election to announce my campaign

File my papers

For the open united States Senate Seat in Michigan

Doing this made it illegal for any one to give me money for campaigning

and also for any one to spend money to promote me in the election

The response was Great

The election boards don’t want to be burden by manually counting votes
that was ok

I just wanted to see how bad it was

There is more back door payment of money than the money they have spent on the money

There is more back door movement of money than the money they broadcast on the news
 Its not politicians its a prostitution Business
 And what I found out their all in it to death including their spouses
 AGAIN i Say including their spouses
 even long after their out of office
 They have such a pyramid scam Its unreal
 One thing you should really point out is this
 The Broadcasting Company's Make most of their money
 During the president election year
 in the following year you can buy TV time for \$100 ? and hour all day long
 and in mid term revenue it less than the president election year

They only make money on election and sports for the most of the time
 With today's technological advantage
 why are people look at tv at all
 Their should be no out side funds period
 I know make campaigning on TV and radio illegal

Look at my ten dollar campaign
 well it might have been 150-200 dollars
 Putting free labor in to the cost

I'm not interesting in this doing this again
 I just wanted to trouble shoot the problem
 It was amazing to me of what I found out about myself and was well worth it

In digging deeper I find This

Mr. Smith Goes to Washington is a 1939 American political comedy-drama film directed by Frank Capra, starring Jean Arthur and James Stewart, and featuring Claude Rains and Edward Arnold. The film is about a newly appointed United States Senator who fights against a corrupt political system, and was written by Sidney Buchman, based on Lewis R. Foster's unpublished story "The Gentleman from Montana".[4] The film was controversial when it was first released, but successful at the box office, and it made Stewart a major star.[5] It was also loosely based on the life of Montana U.S. Senator Burton Wheeler, who underwent a similar experience when he was investigating the Warren Harding administration.[6][7]

Eighty years after this film was released, the control of the Deep State in the Swamps of DC continues to grip our government. the country's mega machines, including the fake media on an every day basis. It will take the strength of all citizens to stand together in unity to preserve the true American values.

Mr. Smith Goes to Washington was nominated for eleven Academy Awards, including Best Picture, Best Director and Best Actor in a leading role, taking the Oscar for Best Original Story.[8] Considered to be one of the greatest films of all time, the film was selected by the Library of Congress as one of the first 25 films for preservation in the United States National Film Registry in 1989, for being "culturally, historically, or aesthetically significant".[9][10]

Billy Jack Goes to Washington is a 1977 American political drama film starring Tom Laughlin, the fourth film in the Billy Jack series, and although the earlier films saw enormous success, this film did not.[1] The film only had limited screenings upon its release and never saw a general theatrical release, but has since become widely available on DVD.

The film is a loose remake of the 1939 Frank Capra film Mr. Smith Goes to Washington, and is directed by Laughlin under the on-screen pseudonym "T.C. Frank".

Then look At the Movie Billy Jack Goes To Washington 1977

And read what Happened To Washington after the 2008 Election

After the Powers took over completely in this country

Standing sentry along the National Mall are monuments and memorials to towering figures in American history. But generations after they cemented their legacies, something is tarnishing their image.

A black mass is spreading like a disease over the marble of Washington, D.C. Abraham Lincoln was the Great Emancipator, but so far, the National Park Service hasn't been able to free the 16th president's memorial from the slime.

It's also now in Arlington National Cemetery and on the Washington Monument. But it's by far the worst at the Jefferson Memorial, where the white dome is now covered in patches of black.

Ri-chard says:

Looking at your background I now get an understanding of your point of view
 After I graduated from high school My plan was to farm
 One day an federal agency ask me to work for them
 I stated I wasn't interested They then Kept asking me until one day I responded OK what is this job about
 They responded they had a field training coming up and invited me to come
 I went and found it interested and it was inline with my farming operation
 So I said OK and they hired Me
 They never talked about security clearances or any thing like that
 One Day a job came up with some Infrared photos That appeared to be taking by a Black Bird
 One photo of a 2 by 7 mile taken on a angle
 They wanted me to compare Farm crops A few miles from my farm to ones taken in Russia
 I was an on call employee in this job and had access to a federal office 27-7
 to pick up and drop off work
 One Day my director call me and said that there was a job opportunity for me at another Agency
 and they wanted to Interview Me
 The Director stated that this was and outstanding job being offered to me
 and at the meeting She stated that Her office would take care of everything On my farming operation
 all the paper work and programs the best of the best
 At the meeting I listened to what the interviewers had to say
 They stated I would have to travel it would be spot jobs here and there
 They never said what the jobs were and they offered a lot
 the Meeting concluded with please let us know in the next couple of days
 On my drive back to the farm part of me was excited by what the offered Me
 But my inter self new that What my director offered Me was out of bounds for my integrity
 Half way home I threw their offer out of my mind and called the next day declining the job
 I worked for this agency fort just short of 5 years
 I never figured out what the agency job offer was in till about three years ago
 and how I was targeted
 With the talents I had at the time and with what i know to day
 I'm glad I turned it down The Income offered was very enticing
 was not worth the horrific jobs I now know they wanted done

I only worked on a time clock for about 13 weeks in my whole life
 It's interesting for better or worst every time I try to farm And event happens to take this away so many
 times this happened I own two farms Its seems like Farming is at a distant life to me

Going into a little history on my data farming (no Dirt) I have been so blessed so many times
 Meandering through my life I would end up in
 Strategic Air Command bases — — a lot of times in the offices club
 Wurtsmith Air Force Base
 K. I. Sawyer Air Force Base
 Selfridge Air National Guard Base
 Defense Supply Center Columbus
 U.S. ARMY TANK-AUTOMOTIVE & ARMAMENTS COMMAND

and more

I probity started this when i was 16 years old

I would give my free time from farming to a old gentleman next door that operated a lime stone quarry

he worked by him self I would show up and help him crush rock free of charge of course

and when i knew he was going to blast rock i would be their to help load

It's interesting to lift a couple of thousand tons of rock from its formation into the air

In other posts I talked about reading the earth- In the lime stone quarries by me you can see the glacial scrapings from the ice age once the over burden is removed

and as I dug on four other location in a 1 mile square grid i could clearly see how the earth was formed over time in my location

Part 1

Energy

In physics, energy is the quantitative property that must be transferred to an object in order to perform work on, or to heat, the object. Energy is a conserved quantity; the law of conservation of energy states that energy can be converted in form, but not created or destroyed

I saw the congress investigation of the oil companies investigations and the testimonials given by the different oil company representatives

BP OIL oil company British Petroleum how do you market your oil

response we hedge our oil on the market one barrel of production to Three in a contract

This is why the Saudi's Government Stated they were not making money on the \$150 a barrel oil and did not know who was manipulating the oil market

You can place positions for both sides of the table

Is oil going to be higher than what it is predicted on the market

lets say can this be manipulative by and oil rig going down

Energy Is money -Money is consider as energy those that have this has energy

Time to revisit the BP oil spill or CRIME scene !!

About Line 5

Energizing Michigan since 1953.

As it travels under the Straits of Mackinac, Line 5 diverges into two, 20-inch-diameter, parallel pipelines. This is why people sometimes call the pipeline system the “dual” or “twin” pipelines. They start underground onshore, taper deep underwater and cross the Straits for 4.5 miles.

Line 5 has operated without incident at the Straits of Mackinac for more than 65 years

The products moved on Line 5 heat homes and businesses, fuel vehicles, and power industry in the state of Michigan.

Line 5 supplies 65% of propane demand in the Upper Peninsula, and 55% of Michigan’s statewide propane needs. Overall, Line 5 transports up to 540,000 barrels per day (bpd) of light crude oil, light synthetic crude, and natural gas liquids (NGLs), which are refined into propane.

Is this ENBRIDGE Line 5 HOT -impregnated with NORMS-

In recent years, oil and gas producers have employed new methods that combine horizontal drilling with enhanced stimulation. These new methods, known as “frackingHelpfrackingHydraulic fracturing, also referred to as “fracking,” is the process of drilling into host formations (shales and tight sandstones) and injecting fluids and sand under pressures great enough to fracture the rock formations to allow the extraction of oil and gas,,” have changed the profile of oil and gas wastes – both in terms of radioactivity and volumes produced. The geologic formations that contain oil and gas deposits also contain naturally-occurring radionuclides, which are referred to as Naturally Occurring Radioactive Materials (NORM):

I live for and Truly love inventing creating discovering things in the world i live in
But I realize the truth of yesterdays state of this nation and world agenda
their dream of a one world order

Gods plan is freedom for us to be free

each of us Know that life begins at conception and ends in the Grave

AS as inventor should i use this fact of life

cradle to grave cost of producing a product and the cost to this planet

take any thing energy related most industries sell there idea on to days savings and do not include
decommissioning cost -in the nuclear field this total cost is more than the savings ever gained by using
it

The the Government promotes this all day long by subsidies and grants

If WE would stand up against these polices and demand the following to change

there is no protection in united States for intellectual property

especially when you hand it over to a foreign nation on day one

talk about a treasonous act

we must take back our greats asset the control of intellectual property

and the people that create it –not those that steel it!

Can We stand up together and be free and respect each other and quit stealing and using and profiting
from these illicit activities.

Are WE are dying from our miss use of energy

Is there a better Way

Richard E. Vollbach Jr., the 35-year-old, crew-cut assistant county prosecutor who charged Mr. Boomer and who recently took a free trip to Los Angeles to appear on a television talk show to discuss the case, said the trial would raise broad issues of civility and free speech.

"This is the kind of case the U.S. Supreme Court might end up looking at, in that there are some genuinely interesting First Amendment issues," Mr. Vollbach said, crossing arms across his T-shirt as he rocked in a leather chair in his small office.

District Court Judge Allen Yenior ruled in February that though the part of the law regarding use of expletives in front of women may not be constitutional, the law's provisions regarding use of obscenities in front of children are justifiable because they protect minors.

I am Asking Yenior Why is Shooting a 16 year old Boy that just drove his car home from school In the Back with a Shotgun With his mother being one of the first people on the scene OK And you being involved in it with your law partner Scully

Judges in at least two other Michigan counties have dismissed cases involving the law after deciding that it was unconstitutional, but those decisions have not set binding precedents

Notice this was a smoke Case to deflect an investigation that I was trying to have the FBI and the State police to investigate In these Dead People Nice to do an ops to cover up their crimes that could have involved Murder Their Murdering of a 16 year old Boy in 1993? Cabal

Rumor has it that all the actions that Richard E. Vollbach is taking in Whitney Township Arenac county Michigan Is so that He will get votes in the next election His very first election

Question In Arenac county why is it that free speech is un lawful. But these Two people and more ruled that Stealing a safe and cracking it open Does not justify enforcing the sentencing of life in prison and doesn't even go as far as defendants paying restitution to all of their victims The defendants went on a crime spire causing damage and theft all through the neighbor hood

when Vollbach Jr. was so nice to me from day one in 1993
 I thought I would give him a big favor
 in his actions going after me in 2016
 i thought i would make a investment in helping him out in his retirement
 I requested to get the court filers on many of his capers as being a lawyer and judge
 and the outer judges and ETC
 Its interesting how the state police had an iron shut case in this safe cracking event
 and how bewildered they were with the court action
 I know some victims personally
 The actions the court took seems like the same actions that all courts take in michigan

Rumor has it the This court action went very smoothly as the county prosecutor
 and defense atty. sailed on a cruise ship that cost about as much as the court mandated
 restitution payment –Question did the parents of one of the defendants pay for the tickets

AS I said before I am coming forward as a FEDERAL WITNESS
 I have the reports is Safe cracking breaking a federal law
 Is aiding and abetting a safe cracker breaking the law
 Why do Lawyers and Judges get a free Pass In Michigan

Robert G Boensch says: SPIRITUAL WARFARE IS UPON US...

Integrity

I believe that this is another core foundation that inter twines with our spirit

Our inter most being our Integrity can not be penetrated by another

It can be only be compromised from within

Is this principal the same with our SPIRITUAL Being

Our inter most being our SPIRIT can not be penetrated by another

It can be only be compromised from within

Integrity is the practice of being honest and showing a consistent and uncompromising adherence to strong moral and ethical principles and values.[1][2][3] In ethics, integrity is regarded as the honesty and truthfulness or accuracy of one's actions. Integrity can stand in opposition to hypocrisy,[4] in that judging with the standards of integrity involves regarding internal consistency as a virtue, and suggests that parties holding within themselves apparently conflicting values should account for the discrepancy or alter their beliefs. The word integrity evolved from the Latin adjective integer, meaning whole or complete.[1] In this context, integrity is the inner sense of "wholeness" deriving from qualities such as honesty and consistency of character.[5] As such, one may judge that others "have integrity" to the extent that they act according to the values, beliefs and principles they claim to hold.

Our internal Guard has be active with every breath We take

We must never concede our Integrity to another just to be joined in -accepted by a person or group and I always must remember That I am CLAY that I may have missed interpreted a teaching or statement made by another of His followers And So as not to be to ridged to accept change

Living in the SPIRITUAL world is where My God dwells with in ME

+++

RGB

Being in the SPIRITUAL world is when you accept that their is only one enemy !

and that this demonic entity has penetrated living things on this earth to harm all of Gods creations

To spoil or trick His Followers in to worshiping a false god

One self's Integrity and SPIRITUAL BEING is our guard

 The New Testament is also very important

6 Then Job replied:

2

"If only my anguish could be weighed
and all my misery be placed on the scales!

3

It would surely outweigh the sand of the seas—
no wonder my words have been impetuous.

4

The arrows of the Almighty are in me,
my spirit drinks in their poison;
God's terrors are marshaled against me.

such food makes me ill.

8

"Oh, that I might have my request,
that God would grant what I hope for,

9

that God would be willing to crush me,
to let loose his hand and cut off my life!

10

Then I would still have this consolation—
my joy in unrelenting pain—
that I had not denied the words of the Holy One.

11

"What strength do I have, that I should still hope?
What prospects, that I should be patient?

12

Do I have the strength of stone?
Is my flesh bronze?

13

Do I have any power to help myself,
now that success has been driven from me?

they arrive there, only to be disappointed.

21

Now you too have proved to be of no help;
you see something dreadful and are afraid.

22

Have I ever said, 'Give something on my behalf,
pay a ransom for me from your wealth,

23

deliver me from the hand of the enemy,
rescue me from the clutches of the ruthless'?

24

"Teach me, and I will be quiet;
show me where I have been wrong.

25

How painful are honest words!
But what do your arguments prove?

26

Do you mean to correct what I say,
and treat my desperate words as wind?

27

You would even cast lots for the fatherless
and barter away your friend.

28

"But now be so kind as to look at me.
Would I lie to your face?

29

Relent, do not be unjust;
reconsider, for my integrity is at stake.[b]

30

Is there any wickedness on my lips?
Can my mouth not discern malice?

Robert,

I must ask you... in the way you have described your life...it sounds a lot like Juan O Savin. Are you really Robert...or are you Juan...or are you like a Juan and go by another name as though you were Robert? Or are you someone else? You spoke of your team of survivors...being a farmer and working for other gov. agencies. Running for office as an independent party and said, go back to all your posts and you will see your story. What in a nutshell is your story? Time is short...who are you and what is your team's goal?

So, please, who are you and what is your team? What are you connected with?

Watch this carefully

It sounded great in 1982 forty years ago

Now that we are a wake _____

President Donald John Trump and company

His world wide team

Has finally cut the umbilical Cord to the mother land

He started this on day One January 20 Year 2017

This is a Republic

It is controlled by the people of these States

Dianne

A couple of years ago I went back and reviewed the tape of when President Reagan Was shot

My first review was that John Hinckley Jr.s

Gun fired no bullets that Day in Washington at President Reagan

I waited a day and look again at the evidence and came up with the same results

I did further investigation and could see where the shots were fired from

There is so many pieces involved in this that strongly suggest It was all staged and had the people seeing what the verbal image was told to them and not what the pictures showed

John Warnock Hinckley Jr. is an American criminal who, on March 30, 1981, attempted to assassinate U.S. President Ronald Reagan in Washington, D.C. He wounded Reagan with a bullet from a revolver that ricocheted and hit Reagan underneath his arm in his armpit

I could be Wrong the the evidence speaks for itself
and you don't have to here my words to believe

Questions
to Relive
RGB

When you say
REAGAN was compromised
To cover up and operation like this and make it Hidden
A decoy is needed to distract the presenter and also the targeted audience
President Reagan was the perfect actor in this play
He did it by unknowingly reading the script before him focusing on the jokes and not so much on the message and doing both professionally as an actor
Now for the Audience Big responses to the jokes camouflages the messages in his speech.
His wife signed off on every word

The Reagan's had a run in with the Cabal
The Russian's infiltrated the movie industry ??
Interesting I remember this point
this is why the Ash heap of history statement comes in
President Reagan and the Miss had a personal vendetta with the Russians
Question This is probity the Biggest reason for the CIA action
on March 30, 1981, attempted to assassinate U.S. President Ronald Reagan in Washington, D.C.
The picture be comes clearer
And who was in the CIA big Time and in the white house
The CIA was Protecting Their Partners the Russian operators

Going back in time

in the early 1970's when I was 12-13 years old I was at a meeting in my state of Michigan

at this meeting a German engineer was doing a presentation to a group of people

I gave him a thermal dynamic problem

His answer was there would only be a one degree change in the outcome from the ranges of thermal input numbers i gave him. with the materials and dynamics that were involved in his work

Using this knowledge and applying it to many other disciplines –

Many times there is only one degree that separates the out come of a process or project that is planed or carried out by an entity

Dianne I love you post today

When I review everything that's new to me I have my frame of references to draw on and then compare it to the new subject matter but must remember there is only one degree that separates the out come of a process or project—Or a truth—

Space and Time some times defines the truth

The truth in your post today is one the holds us in bondage or sets us free

once one is confident in His truth one looks no More and has found peace in Their belief or in their God

Trust is some thing earned True Trust can not be Bought or Sold

Robert G Boensch says: Time The last moment is gone the next moment is not here.

We live in the now Time

Everything that we study or belief is subject to this given fact

It is up to each of us to grab the truth that surrounds us and is in us

Everything is in motion and travels in space

there is so many Dimensions at play

If you could capture all of these Dimensions and freeze them

The truth will last only until one particle moves in space or to the next time frame

Question

Is that why it is said —

The One Living God

Compare the following

Enthalpy

<https://en.wikipedia.org/wiki/Enthalpy>

The total enthalpy of a system cannot be measured directly because the internal energy contains components that are unknown, not easily accessible, or are not of interest in thermodynamics.

Entropy

<https://en.wikipedia.org/wiki/Entropy>

is a scientific concept, as well as a measurable physical property that is most commonly associated with a state of disorder, randomness, or uncertainty

The Truths in both of these are dynamic

Being a general discussions on moving targets

Its much simpler to understand God

and to emulate being like a God

a God like person not for some one to worship

But to live in piece his piece

It is up to each of us to grab the truth that surrounds us and is in us

It is up to each of us to grab the truth that surrounds us and is in us

We are the ones that keep His truths Alive

Our beliefs are our foundations and something we can share

QUESTION

Vladimir Putin war warning post above

I should have been clearer on this look at the date stamp

____Jul 10, 2016 this is Before Trump

and after the Decommission of their device in 2014

This device Would have been called an industrial accident

But was set up to be at least a thousand times more deadly to this country than the false flag event of
2001-09-11

This is why I just had to take it out first it did not matter who was behind it

When I review everything that's new to me I have my frame of references to draw on

but must remember there is only one degree that separates the out come of a False Flag Event

– Space and Time some times defines the order actions must be taken

Today The Who is behind everything is a Giving

The cabal Made a big mistake going after me when I was very very young

God gave me the power to see – act and be patience

the Hardest part is not having a steady job

the most rewarding is to be free and can answer His call on a moment notice

It been a long journey to get to this day I truly know I will see Gods glory shine

the question is how many others will see this

Remember what I said in a post

That when the few people that get to heaven the first thing they will ask is where is everybody

I know in my heart my God will send me where I will be needed

This is OK with me it's been a great pleasure to be his servant

Vaccine production and collaborating with partners

Collaborating with partners

We are helping to support the global supply of vaccines and therapeutics. By leveraging our production facilities we support vaccine demand around the world. Novartis is partnering with multistakeholder consortia, including the COVID-19 Therapeutics Accelerator, coordinated by the Bill & Melinda Gates Foundation, the Wellcome Trust and Master-card, as well as a partnership supported by the Innovative Medicines Initiative. We are participating with the University of California, Berkeley, and other pharmaceutical companies to develop an antiviral molecule to potentially treat all coronaviruses, including the virus that causes COVID-19.

We played our part in the scientific efforts to find treatments for COVID-19. We quickly designed and launched three Phase III, placebo-controlled trials to determine if our products could help patients with certain COVID-19-related symptoms. We provided these and other medicines to investigator-initiated trials and managed access programs upon request. We are also collaborating with Molecular Partners to develop two potential antiviral treatments for COVID-19 based on a new class of protein therapeutics known as DARPIn®.

Novartis signs initial agreement to provide manufacturing capacity for Pfizer-BioNTech COVID-19 vaccine

First of multiple agreements being explored by Novartis to leverage manufacturing capacity and capabilities to address pandemic, supporting global supply of COVID-19 vaccine

Initial agreement signed with BioNTech to use Novartis manufacturing plant in Stein, Switzerland, to support production of mRNA COVID-19 vaccine

Production to commence in the second quarter for
estimated delivery commencing in the third quarter 2021

Basel, January 29, 2021 — Novartis announced today that it has signed an initial agreement to leverage its manufacturing capacity and capabilities in order to address the COVID-19 pandemic by supporting the production of the Pfizer-BioNTech COVID-19 Vaccine. The agreement will see Novartis utilizing its aseptic manufacturing facilities at its site in Stein, Switzerland.

Under the terms of the contract manufacturing agreement, Novartis plans to take bulk mRNA active ingredient from BioNTech and fill this into vials under aseptic conditions for shipment back to BioNTech for their distribution to healthcare system customers around the world.

Subject to reaching a final agreement, Novartis plans to commence production in the second quarter of 2021 at its state-of-the art aseptic manufacturing plant in Stein. Initial shipment of finished product is expected in the third quarter.

The Novartis manufacturing team is in advanced discussions with a number of additional companies to take on manufacturing activities such as mRNA production, therapeutic protein production as well as raw material production for Covid vaccines and therapeutics. The specifics will be disclosed once those discussions are concluded.

“Novartis has been mobilizing on multiple fronts to support the global pandemic response,” said

Steffen Lang, Head of Novartis Technical Operations. “As a company reimagining medicine with advanced therapy platforms, we are committed to leverage our manufacturing capabilities to help support the supply of COVID-19 vaccines and therapeutics around the world. We expect this to be the first of a number of such agreements.”

The Pfizer-BioNTech COVID-19 Vaccine has been authorized for use by the health regulatory authorities of about 50 countries, including Switzerland and the European Union member states where it has been granted Conditional Marketing Authorization and it has received authorizations for emergency use in e.g. the United Kingdom, the United States, and Canada, as well as in Hong Kong.

Novartis response to COVID-19 pandemic

Novartis is making multiple contributions to the global effort to combat the COVID-19 pandemic and support the stability of global healthcare systems. The company has committed to donating USD 40 million to support communities around the world impacted by the pandemic. In addition, Novartis is active in several key cross-industry research initiatives, the COVID-19 Therapeutics Accelerator, coordinated by the Bill & Melinda Gates Foundation, Wellcome, and Mastercard as well as a COVID-19 directed partnership supported by the Innovative Medicines Initiative (IMI). Novartis has also announced a collaboration with Molecular Partners to develop two DARPin® therapies designed for potential use against COVID-19, and the company is separately supporting COVID-19-related clinical investigations of several Novartis medicines. In our labs, we have started a collaborative, longer-term drug discovery effort to develop first oral medicines for COVID-19 and other coronaviruses. To sustain access, the Novartis generics and biosimilars division Sandoz became the first company to commit to keeping stable prices for a basket of essential medicines that may help in the treatment of COVID-19 and entered into a partnership with US-based Civica Rx to support stable supply of essential generic hospital medicines. We are making 15 drugs that treat key symptoms of COVID-19 available to low- and lower-middle income countries at zero profit until a vaccine or curative treatment is available. Furthermore, Novartis Gene Therapies entered into a manufacturing agreement with Massachusetts Eye and Ear and Massachusetts General Hospital to produce its novel genetic COVID-19 vaccine candidate called AAVCOVID8. I posted many things on this site

I posted them as facts and as Questions

My own boots were on these grounds

I know who i am and have explained my position very clearly

And I even posted my location of where i live phone number etc

I do not hide from this our

enemy

If we would only start by all of us responding to the job at hand

By stating who we are up front with no fear

the Question is

All of us here would be communicating on the same level

I said many times Call me out if I have posted anything that can be proven wrong

My posts are not here for entertainment

there here for a frame of reference and to let the readers their not alone

If we are claiming who the bad guys are and calling them out

why are we doing this in secret

If we would do this on thing It Would it really put the fear in them

I freely do this one thing I am a witness to may events that have happened in this country

By the bad actors and i can not go into deep details a many because there are still active

I grew up on a farm and bought my first farm when i was very young

a simple farm life was my goal and today i find my self in the

middle of a world war -a inter prospective war -the worst kind of war

I had a simple plan

But My God had a worldly plan set up for me

Why are so many people so stiff necked and like granite in the heart

bent on hurting others

The facts are simple I am clay I can Be wrong on my Posts

are we not all to be clay on to judgement day

Learning the truth

If I had the ability I would but up a reward for each time you could find an error

of facts in my posts and freely give it

of facts in my posts and freely give it

To know the truth HIS truth is what I am Seeking

Should we all Be seeking the same

This is a new game and a new day

We all have a choice of how to play it

Mine is not to hide from them

Look at my posts everything has many docs and witnesses

that can be called in a trial

I freely call them out the enemy they can turn them self in

they can't

Robert, I have indeed watched people so anal that they will not burn a leaf until they have gathered all
in a pile. Nicely fit rows of piles.

The point i was making my analogy

Was that gathering all of the cabal a little at a time would result in some escaping

When I start a fire it always starts the wind to blow

it works best to gather all of the cabal first and the light it

To accomplish this one must use stand in for the ones taken out

the huge face masks work great

also how the speaker of the house stepped down was telling

and let another step in

if you looked close at her dress there was a different body in it

and to make a clear stage for the play

the reinstating of her for speaker of the house to keep the show rolling

It was a fun show to watch but had to be quite

Not so

Saint Telemachus

Saint Telemachus was a monk who, according to the Church historian Theodoret, tried to stop a
gladiatorial fight in a Roman amphitheatre, and was stoned to death by the crowd. The Christian
Emperor Honorius, however, was impressed by the monk's martyrdom and it spurred him to issue a
historic ban on gladiatorial fights. Frederick George Holweck gives the year of his death as 391. The last
known gladiatorial fight in Rome was on 1 January 404 AD

Please consider your State legislators are not white hats. If you request a D&B Report on and State agency including judicial you will receive a Corporate financial report. That's right they are registered as Corporations for profit. Why don't they tell us this?

I have posted this or similar before to get someone's attention. Never works.

What you think is a state is in reality a corporation, in other words, a Person.

"Commonwealth of Pennsylvania is Person." 9 F. Supp 272

"Word "person" does not include state. 12 Op Atty Gen 176.

<https://dictionary.law.com/Default.aspx?selected=1516>

See there are no states, just corporations. A corporation is an artificial entity, a fiction at law. They only exist in your mind. They are images in your mind, that speak to you. We labor, pledge our property and give our children to a fiction.

There is proof of England's interference and the fact of the status and capacities of arch-treasurer is presently in full force, affect and effect. pdf's from government websites and associated archive links. Think SSA and IRS. It's well documented if you seek it.

(ARSOF Ready Force): This phase spans FY20–FY21

The men and women of ARSOF are the Department of Defense's premier problem-solvers. We will take a holistic approach to risk to ensure we sharpen America's competitive edge. Critical risks to avoid are those which undermine ARSOF's long-term position and performance. Reputation: we will earn and maintain trust in ARSOF's ability to accomplish our mission for the Nation and empower the Soldiers within our formation. Inflexibility: we will overcome obstacles that cause bureaucratic paralysis and failure to adapt. Hubris: we will play team ball with any and all partners to advance mutual interests

[Click to access ARSOF_Strategy.pdf](#)

6possible, rather than simply as EXEVALs. Reality in readiness will be achieved using cyber and information warfare in all aspects of training. LOE 3: Modernization. ARSOF will be the standard for agility and adaptation as the Army transitions to the information age. Our formations excel in ground-up innovation. We will take this to the next level, using the live battle labs of combat zones and CTCs to experiment and industrialize what works. At the headquarters level, we will reduce bureaucracy and optimize our processes to deliver what the ARSOF warfighter requires at the speed of need. Modernization is the Main Effort in the Mid-Term. (OBJ 3.1) Innovation. ARSOF will secure quick access to technology and develop revolutionary force structure through the new USASOC Force Modernization Center (UFMC). We will focus on Soldier lethality, mobility, and survivability, decreased reliance on C2 systems, and capabilities that enable us to better understand the information environment and weaponize information. "Buy, try and decide" will be our motto, using rapid acquisitions and experimentation to "out-innovate" our adversaries. (OBJ 3.2) Institutional Agility. We will reform our systems, processes, and bureaucracy to prioritize agility and flexibility. This requires assessing what we will divest of, and building resource resiliency. We will ensure flexibility to task organize for any challenge and avoid becoming handicapped by legacy processes. We will also develop architecture for leveraging artificial intelligence and machine learning (AI/ML) across the Enterprise to improve talent management, decision support, and operational data management. CONCLUSION The 2018 National Military Strategy requires the joint force to maintain the strength, agility, endurance, resilience, flexibility, and awareness to fight and win against any adversary. ARSOF's strategic value lies in our ability to expand the options necessary for decision-makers to wield influence and manage escalation in the competition space, and enable decisive operations by the joint force in war. While ARSOF must modernize to survive and thrive on the increasingly lethal multi-domain battlefields of Europe and Asia, we will remain engaged in the Middle East, Africa, and Latin America

—regions that provide access to adversary weakness and opportunity for strategic competition. This harsh reality requires hard choices to optimize ARSOF's contribution to the Nation's defense. To mitigate uncertain threats, ARSOF leaders will recognize and cultivate the unique talents of every ARSOF member. With our men and women, there is no problem we cannot solve.

WITHOUT FAIL,
WITHOUT EQUAL.

Going Back in Time
Mithridates VI Eupator https://en.wikipedia.org/wiki/Mithridates_VI_Eupator
Mithridates or Mithradates VI Eupator (Greek: Μιθραδάτης; [2] 135–63 BC) was a ruler of the
Hellenistic Kingdom of Pontus in northern Anatolia from 120 to 63 BC, and one of the

Roman Republic's most formidable and determined opponents.
https://en.wikipedia.org/wiki/Roman_Republic

Question

Does The Roman Republic Loosing Control of People By Physical Control

Give some Weight on My First Post on this Blog

I've be operating under cover from the age of 6 or 7 years old
been engaged my whole life in this world wide action against us Remembering Everything.
It's Bigger than The US Leaders and Military Knows
Just Me and My Friend Up Stairs
The State of Michigan and This country (and World Leaders Business Governments and Churches)
Has been Going against GOD! Big Time Forever
And This Includes The Churches again i say this !!
We Must Look past the religious writings and the Preachers in front of us!!

And go Directly To GOD

Repeat-- (And go Directly To GOD and Talk to Him)

Be one with Him It's were the truth is

Look at Acts 1 -18 in the bible

With the payment he received for his wickedness,

Judas bought a field; there he fell headlong, his body burst open and all his intestines spilled out.

Everyone in Jerusalem heard about this, so they called that field in their language Akeldama

That is the field of Blood (the potters Field)

Question was it full of clay Pits and in the dark Judas fell into one that broken clay pots were dispose in . Did this happened 38 minutes after they left the garden

How did he received the 30 silver pieces

=====

Was Judas the first whistle blower "did he die to warn us from the Romans Plan!

Is the story written in Matthew total Mind Control

=====

(the hold on all of us to be controlled by the Romans) MK ultra Roman style!!

=====

OR

Is the conflicting Stories so that we wage war with each other over our interpretation of what is in these writings.

We as God's People need to Cherish what we have in common and respect our differences and seek and live in peace

In 2014 I took a stand and went public to show a little of my life There's has only Been one political party in control of this country until Donald John Trump stepped in.

Aquillius was eventually executed by Mithridates by having molten gold poured down his throat

We then just have to Scrape it off the Floor and put it back in to our pocket

Ezekiel 37

Revised Standard Version Catholic Edition The Valley of Dry Bones 37 The hand of the Lord was upon me, and he brought me out by the Spirit of the Lord, and set me down in the midst of the valley; [a] it was full of bones. [b] 2 And he led me round among them; and behold, there were very many upon the valley; [c] and lo, they were very dry. 3 And he said to me, "Son of man, can these bones live?" And I answered, "O Lord God, thou knowest." 4 Again he said to me, "Prophecy to these bones, and say to them, O dry bones, hear the word of the Lord. 5 Thus says the Lord God to these bones: Behold, I will cause breath [d] to enter you, and you shall live. 6 And I will lay sinews upon you, and will cause flesh to come upon you, and cover you with skin, and put breath [e] in you, and you shall live; and you shall know that I am the Lord."

7 So I prophesied as I was commanded; and as I prophesied, there was a noise, and behold, a rattling; and the bones came together, bone to its bone. 8 And as I looked, there were sinews on them, and flesh had come upon them, and skin had covered them; but there was no breath in them. 9 Then he said to me, "Prophecy to the breath, prophesy, son of man, and say to the breath, [f] Thus says the Lord God: Come from the four winds, O breath, [g] and breathe upon these slain, that they may live." 10 So I prophesied as he commanded me, and the breath came into them, and they lived, and stood upon their feet, an exceedingly great host.

11 Then he said to me, "Son of man, these bones are the whole house of Israel. Behold, they say, 'Our bones are dried up, and our hope is lost; we are clean cut off.' 12 Therefore prophesy, and say to them, Thus says the Lord God: Behold, I will open your graves, and raise you from your graves, O my people; and I will bring you home into the land of Israel. 13 And you shall know that I am the Lord, when I open your graves, and raise you from your graves, O my people. 14 And I will put my Spirit within you, and you shall live, and I will place you in your own land; then you shall know that I, the Lord, have spoken, and I have done it, says the Lord."

The Coming of the Kingdom

Luke 17:20-21 1st Century King James Version 20 And when the Pharisees had demanded of Him when the Kingdom of God should come, He answered them and said, "The Kingdom of God cometh not with outward show.

21 Neither shall they say, 'Lo, it is here!' or 'Lo, it is there!' For behold, the Kingdom of God is within you."

Luke 17:20-21 Revised Standard Version Catholic Edition The Coming of the Kingdom 20 Being asked by the Pharisees when the kingdom of God was coming, he answered them, "The kingdom of God is not coming with signs to be observed; [a] 21 nor will they say, 'Lo, here it is!' or 'There!' for behold, the kingdom of God is in the midst of you." [b]

Luke 17:20-21

World English Bible 20 Being asked by the Pharisees when God's Kingdom would come, he answered them, "God's Kingdom doesn't come with observation; 21 neither will they say, 'Look, here!' or, 'Look, there!' for behold, God's Kingdom is within you."

Lukas 17:20-21 Orthodox Jewish Bible 20 Now having been asked by the Perushim, Ad mosai? (How much longer?) When comes the Malchut Hashem? Rebbe, Melech HaMoshiach replied, The Malchut Hashem is not coming with things observable, 21 nor will they say, Hinei, here it is, or There it is, for hinei, the Malchut Hashem is within you.

How You "Lost" Your Kingdom of God The throne of your kingdom or "king-dome" is located inside your skull, which is the "dome" that houses your pineal gland, also known as the "seat of the soul" or "holy seat". In other words, the pineal gland is the seat/throne of your kingdom/"king-dome" or temple of God, which is located between the temples of your head. Once you deeply innerstand this, you will know that to give up your sovereignty is to give up your throne/seal of your soul/holy seat and kingdom. Furthermore, you will know that the kingdom of God is inside you, NOT out in the external world. Hence, the bible verses

“The Wedding Song (There Is Love)”

He is now to be among you at the calling of your hearts
Rest assured this troubadour is acting on His part

The union of your spirits, here, has caused Him to remain
For whenever two or more of you are gathered in His name
There is Love
There is Love

Well a man shall leave his mother and a woman leave her home
They shall travel on to where the two shall be as one

As it was in the beginning is now and til the end
Woman draws her life from man and gives it back again
And there is Love
There is Love

Well then what's to be the reason for becoming man and wife?
Is it love that brings you here or love that brings you life?
For if loving is the answer, then who's the giving for?
Do you believe in something that you've never seen before?
Oh there is Love
There is Love

Hmmm mmm mmm mmm

mmm mmm

Oh, the marriage of your spirits here has caused Him to remain
For whenever two or more of you are gathered in His name
There is Love
There is Love

The Book of Enoch

103.5 Woe to you, you sinners, when you die in your sin, and those who are like you, say about you: "Blessed were the sinners they saw their days.

103.6 And now they have died in prosperity and wealth, distress and slaughter they did not see during their life, but they have died in glory, and judgement was not executed on them in their life."

103.7 Know that their souls will be made to go down into Sheol, they will be wretched, and their distress will be great.

103.8 And in darkness, and in chains, and in burning flames, your spirits will come to the Great Judgement. And the Great Judgement will last for all generations, for ever. Woe to you; for you will not have peace.

103.9 Do not say, the righteous, and the good, who were alive: "In the days of our affliction we toiled laboriously, and saw every affliction, and met many evils. We were spent, and became few, and our spirit small.

103.10 We were destroyed, and there was no one who helped us, with words, or with deeds. We were powerless and found nothing. We were tortured and destroyed, and did not expect to see life from one day to the next.

103.11 We hoped to become the head but became the tail. We toiled and laboured, but were not masters of the fruits of our toil; we became food for the sinners, and the lawless made their yoke heavy upon us.

103.12 Those who hated us, those who goaded us, were masters of us. And, to those who hated us, we bowed our necks; but they did not have mercy on us.

103.13 We sought to escape from them, so that we might flee, and be at rest. But we found no place where we might flee and be safe from them.

103.14 We complained about them to the rulers, in our distress, and cried out against those who devoured us, but they took no notice of our cries, and did not wish to listen to our voice.

103.15 And they helped those who plundered us, and devoured us, and those who made us few, and they concealed their wrongdoing, and did not remove from us the yoke of those who devoured us, and scattered us, and killed us. And they concealed our slaughter, and did not remember that they had raised their hands against us."

=====

+++

104.1 I swear to you, you righteous, that in Heaven the Angels remember you for good, in front of the Glory of the Great One, and that your names are written down in front of the Glory of the Great One.

104.2 Be hopeful! For you were formerly put to shame through evils and afflictions, but now you will shine, like the Lights of Heaven, and will be seen, and the Gate of Heaven will be opened to you.

104.3 And persevere in your cry for judgement, and it will appear to you, for justice will be exacted from the rulers, for all your distress,

and from all those who helped those who plundered you.

104.4 Be hopeful, and do not abandon your hope, for you will have great joy like the Angels of Heaven.

104.5 What will you have to do? You will not have to hide on the day of the Great Judgement, nor will you be found to be sinners. The Eternal Judgement will be upon you for all the generations of eternity.

104.6 And now do not be afraid, you righteous, when you see the sinners growing strong and prospering in their desires, and do not be associated with them, but keep far away from their wrongdoing, for you will be associates of the Host of Heaven.

Question

Hebrews 11:5

By faith Enoch was taken from this life, so that he did not experience death: "He could not be found, because God had taken him away." For before he was taken, he was commended as one who pleased God.

Elijah Taken Up to Heaven

2 When the Lord was about to take Elijah up to heaven in a whirlwind, Elijah and Elisha were on their way from Gilgal. 2 Elijah said to Elisha, "Stay here; the Lord has sent me to Bethel."

But Elisha said, "As surely as the Lord lives and as you live, I will not leave you." So they went down to Bethel.

3 The company of the prophets at Bethel came out to Elisha and asked, "Do you know that the Lord is going to take your master from you today?"

"Yes, I know," Elisha replied, "so be quiet."

9 When they had crossed, Elijah said to Elisha, "Tell me, what can I do for you before I am taken from you?"

"Let me inherit a double portion of your spirit," Elisha replied.

10 "You have asked a difficult thing," Elijah said, "yet if you see me when I am taken from you, it will be yours—otherwise, it will not."

Doris Dawn says: I've read somewhere that our Lord COMMANDS us to be happy and cheerful.

Not enough to fear not, even if that is the talking point.

Because we need to rejoice in His Grace.

How else are we to show our gratitude to Him?

Growing up on the wrong side of the Iron Curtain, learning Marxism-Leninism in school, mandatory, I can tell that this covid-nonsense makes 20th century communism look a bit mild. Although it was much worse living under it than reading Orwell's 1984.

The modern CCP seems to make a seamless marriage between international socialism (dilettante Russian driven kumbaya) and national socialism (evil perfected into a well-oiled German piece of machinery). It took WWII to bury the Third Reich. And it takes WWII to eradicate the insidious Fourth.

Now, read the paragraph above once again, and then one more time. Look left, can you see Darth Vader sharing the elevator with you? can you hear his breathing like a thousand pins through your brain? The elevator goes down, down, down, and that's not downtown. Welcome to the one-year anniversary of the two-weeks 'flatten the curve' brave new world series. Season one done. Coming soon.. but hey!

Fear will KILL you. This is not a movie on some screen. You can't pause and play. Because you are caught in it. In this social network of fear, in this socialism of the 21st century, in this nightmare. But God has given you the remote control. Yes! so tiny and so mighty. Turns fear off at a finger touch.

Tomorrow will be the equinox, days will grow bigger and bigger. Sunshine and gardening, or reading some book on the veranda, instead of watching fear-porn in the living.

A teacher of mine just mentioned yesterday that reading books is a complex imaginative process. Not like receiving prefab images and emotions. Because the reader is engaging her mind in reconstructing from symbols, from words, a world that the writer imagined before converting it into a story. As a book reader, you are decoding the mind of an author.

Decoding. Nice word. Where have we heard / read of it before?

A deep dark world is being exposed.

The truth won't be for everyone.

7. Have faith in Humanity.

Mary HH says: Speaking of books, another timely one is Fahrenheit 451 by Ray Bradbury. My husband and I had read it a few years ago. This morning he mentioned a "scene" from the book and I actually thought we had watched the movie because I could see that scene in my mind. No, never saw the movie,

2. just the one I created when we read the book.

irisheyes17 says: Dianne Marshall, the Holy Spirit jus ckd me...and told me 2 tell y'all the songs r awesum...r they orig?

The guys r AWEMAHZ!!....pleeeze let them know!!!

At this time when most of us r bein' loct out of our church...pastors r even bein arrested!!!...and they won't even allow parishoiners 2 sing or pray out loud n churches n Cali...the devil knows the power of song and worship...that's why we're bein' silenced!!

A baby I was tkn care of 1 time had a terrible ear ache and was n lot of pain, and I dint know what 2 do...and I hrd the Lord say, sing 2 her...and I thought ok, what do I sing?!?!...and the Lord said, ROCK OF AGES....so I placed my hand ovah her ear and started singin' ROCK OF AGES..and mediately she stopped cryin' and went 2 sleep...

I know the power of song....

Paul and Silas prayed at midnight and sang songs of worship, and the jail was shaken and all their shackles fell off...

N Psalms it says 2 make a joyful noise unto the Lord.

Psalm 150: 3-6

Praise him with sound of the trumpet: praise him with the psaltery and harp.

Praise him with the timbrel and dance:praise him with stringed instruments and organs.

Praise him upon the loud cymbals:praise him upon the high sounding cymbals.

9. Let everything that hath breath praise the Lord. Praise ye the Lord.

Every one needs to do this and take back our constitutional rights. I'm fine. Then why are people and family members telling me that I'm paranoid??

Maryann says: YES you are correct! Yesterday I was in the grocery store and I saw a man without a mask on his wife was wearing one below her nose. I asked him if the store ever said anything to him and he said they asked him if her wanted one and he said no. He told me he had never worn one anywhere. When I heard that I removed my mask (which I always wore under my nose). When I removed my mask his wife took her mask off and said. If we all take a stand what are they going to do. When I was in line to be checked out when the checker saw I had no mask on she stopped to put on gloves. RIDICULOUS. She took them off for the next makeshift mask wearing customer. These people are so deceived. Also as I was shopping someone came over the speaker stating masks were required in the store. I had never heard that message before. I believe someone must have saw us in there without the mask and told someone in management. I am finished with these masks. I am in PA where we have a Governor who purposely put

debjbalk says: Way to stand up, Patriot Maryann. Woohoo!! ;+). Yesterday I tried a different approach at Dollar General. Huge sign on door to wear masks, clerks wear them, plexiglass is up at register, but they never question me about not wearing mine. They treat me with kindness & respect. So yesterday after I cashed out, I handed the clerk a little card containing an inspirational message & a scripture verse.

I paperclipped to it some money and a note that said... "Thank you for honoring my freedoms & liberties by not asking me to put on a mask. You are a blessing and you're helping people to live free. May God bless you." When I handed it to her, I told her she was a treasure and I appreciated her. I prepared the note in advance, thinking that it might help to encourage the behavior I'm hoping to receive. She took a risk, too, by not following her stores policy... We need more clerks like ones at Dollar General. I'm hoping my note might trigger a domino affect. One small step at a time.

I'm so sick of this stupidity...!!

debjbalk says: I'm in a similar situation, Inesnido... not wearing mask in public nor getting vax. And...I'm getting push back from loved ones...like they're "concerned" about me and also questioning my beliefs about everything going on. I spoke out a while back, and now they're on my case and making me out to be "the concern.". At first, I was in a mode of "I'm gonna tell everyone and make my position known, without regarding if they wanted to hear it or not.". But... I've completely changed my position this week. I decided that if they want to hear my stand and beliefs, they know they can come to me and I'll talk to them about all of it. Some of them are having little chats with me, so it's a start. But what made me change my mind about "yelling it from the treetops" is Jesus. I got to thinking... He never pushed Himself on me. He waited until I opened up my heart and mind to Him, and then He was right there ready to share all about Himself. So, I'm going to try to do the same with my loved ones. I'm going to stop pushing my experience onto them and wait until they're interested in hearing about it. It's been a difficult time getting to this point... But, here I am. Hope

14. you're doing okay, Inesnido...it's not an easy road. ;+)

eze33 says: Don't wear mask either! Not really enforced here in little Richlands, NC except county ABC Store. Even been in Post Office and nothing said. Was in Food Lion the other day at check out and a number of people were giving me somewhat of an evil eye. I asked "What do you get when there are three people standing in line wearing masks? They all looked at one another, probably thinking I was crazy, and as I was about to walk out with my bag I said, "6-6-6". Then as I was walking out, I looked back and said loudly, "Come out of Babylon!" Should have seen the shock in those eyes then. Yawl feel free to use that

2. one. I get some strange looks. One time, a man pulled his off and thru it on the ground! LOLGB+

Oh I am not saying there won't be other weapons...but the fear factor is the number one killer. People willing to do as told out of fear without a shot fired, only a shot given. Others will die physically from fear, weak hearts, heart attacks, gasping for breath via anxiety attacks, suicides, hopelessness, getting killed via rioting, shot for stealing, trespassing, all manner of chaotic street wars due to fear of what is coming. Fear through hopelessness and being godless living for today for tomorrow we die attitude. For many, it's selling out to be a street soldier for silver because there are no other jobs except those as a thug in the street.

lobomom says: If the White Hats allow this to happen, and loved ones die from this and it could have been avoided, there will be so much anger toward the White Hats that I'm not sure reasoning will justify the means. There are those that already suffer from anxiety, depression and other emotional issues that won't be able to handle or reason what is happening. I have 3 family members that suffer from depression, bi-polar symptoms, this game can push them over the edge.
